Meeting location change! IHOP off of College Way exit! See you there!

Washington Facts and Trivia

1. The state of Washington is the only state to be named after a United States president.
2. Seattle is home to the first revolving restaurant in the 48 contiguous United States (and the second revolving restaurant in the world). Located atop the Space Needle, at a height of 500 feet above sea level, the restaurant was opened in 1961.
3. Washington state produces more apples than any other state in the union.
4. Washington state has more glaciers than the other 47 contiguous states combined.
5. Washington state's capitol building was the last state capitol building to be built with a rotunda.
6. Everett is the site of the world's largest building, Boeing's final assembly plant
7. Medina is the home of the United States wealthiest man, Microsoft's Bill Gates.
8. The Northwestern most point in the contiguous U.S. is Cape Flattery on Washington's Olympic Peninsula.
9. King county the largest county in Washington was originally named after William R. King, Vice President under Franklin Pierce; it was renamed in 1986, after civil rights leader Dr. Martin Luther King, Jr.
10. Microsoft Corporation is located in Redmond.
